Bovi-C™

PRODUCT CODE: 6994

APPLICATION:

Specialized form of encapsulated ascorbic acid (Vitamin C) to be utilized in ruminant feed rations. This unique formula will improve ascorbic acid delivery to the lower digestive tract of ruminants for absorption.

USE DIRECTIONS:

Feed Bovi-C at the rate of 8 grams per head per day for 21 days to cattle and calves weighing greater than 300 pounds. When feeding Bovi-C to cattle under this weight range, please consult a nutritionist for feeding directions.

CONCENTRATION:

70% ascorbic acid by weight. 318,000 mg/#

CHARACTERISTICS:

- White pellet
 - Stable form of Vitamin C for use in ruminant diets
 - Encapsulation protects Vitamin C from breakdown by rumen microbial action.
 - Encapsulation repels water and increases stability in feed.
 - Flowable pellet for easy handling and formulation
 - Encapsulation allows release in the intestine of the animal
- Moisture is less than 5%

INGREDIENTS:

Ascorbic acid, calcium phosphate, calcium silicates and vegetable oils.

STORAGE:

2 year shelf life under ambient conditions in original container

PACKAGING:

25 pound paper poly bag.
