Product Data Sheet for Molasses Delight

PRODUCT CODE: 2600

APPLICATION:

A full strength flavor for optimum palatability and to assure constant taste response with all molasses-type feeds. This specific formulation will provide or intensify the fresh taste and aroma of blackstrap molasses and provides maximum taste response and sugar sweetness.

USE DIRECTIONS:

Use 1.0 - 2.0 pounds per ton of complete feed. This product can be added with micro-ingredients and used in pelleted feeds as a substitute for molasses or as a molasses enhancer.

CHARACTERISTICS:

Blackstrap molasses aroma with sugar sweetness. Free flowing, light brown powder. Compatible with all other feed ingredients.

INGREDIENTS:

Roughage products, calcium carbonate, water, propylene glycol, natural and artificial flavor ingredients, silicon dioxide, artificial sweeteners, emulsifiers and BHT (a preservative).

STORAGE:

Store in a cool dry place. Keep covered when not in use. Product will remain stable for extended storage. Change in color from light to dark is a natural occurrence and is independent of product activity.

PACKAGING:

50 pound bags. Special packaging available upon request.

PURITY:

All flavor ingredients in this product are either approved for use in a regulation of the Food and Drug Administration or listed as being GRAS in a reliable published industry association list.
