Product Data Sheet for Cherry Concentrate

PRODUCT CODE: 2744

APPLICATION:

Pleasant aromatic cherry aroma to mask the odor of fats and oils.

USE DIRECTIONS:

Use 1.0 to 2.0 pounds of **Cherry Concentrate** per ton of oil or fat or as desired*.

* These recommendations are based on trial data using an average type of fat and oil available to the feed industry. Due to variations in quality, storage and applied heat, these recommendations may need to be adjusted.

CHARACTERISTICS:

Sweet aromatic cherry, amber colored liquid. Compatible with all other feed ingredients.

INGREDIENTS:

Natural and artificial flavor ingredients, butylated hydroxytoluene (a preservative), polysorbate 80 and propylene glycol.

STORAGE:

Store in a cool dry place. Keep covered when not in use. Product will remain stable for extended storage. Change in color from light to dark is a natural occurrence and is independent of product activity.

PACKAGING:

40-pound drums. Special packaging available upon request.

PURITY:

All flavor ingredients in this product are either approved for use in a regulation of the Food and Drug Administration or listed as being GRAS in a reliable published industry association list.
