Product Data Sheet for Bitter Orange Liquid

PRODUCT CODE: 2786

APPLICATION:

Bitter Orange Liquid is used in liquid feeds, mineral supplements and blocks to inhibit consumption. Over consumption of these feeding materials can cause nutritional problems. Bitter Orange has been demonstrated to reduce consumption in practical field-testing.

USE DIRECTIONS:

Use 1.0 to 2.0 pounds of Bitter Orange Liquid in liquid feeds, mineral supplements and blocks to reduce intake. Higher or lower rates may be used according to user preference.

CHARACTERISTICS:

A liquid product with a pungent odor.

INGREDIENTS:

Natural and artificial flavor ingredients.

HANDLING: (CAUTION)

Bitter Orange Liquid does contain acid. Therefore, gloves and eye protection should be worn when handling the product. See MSDS for specific information.

STORAGE:

Store in a cool dry place. Keep covered when not in use. Product will remain stable for extended storage. Change in color from light to dark is a natural occurrence and is independent of product activity.

PACKAGING:

40-pound drums. Special packaging available upon request.

PURITY:

All flavor ingredients in this product are either approved for use in a regulation of the Food and Drug Administration or listed as being GRAS in a reliable published industry association list.
